## 40<sup>th</sup> Anniversary Promotion – B&J Refills (We would take care of your buffing hub!)

Proudly celebrating its 40<sup>th</sup> anniversary, Newera has chosen to make this milestone unforgettable by offering golden opportunity to our loyal customer and even new customer to purchase our B&J Refills with promotion which is not likely to repeat. This is one of the ways to show our gratitude to our customer in a tangible way.

From now on, for every minimum purchase of 200 sets B&J Refills in a year, we would help in maintaining your buffing hub by **replacing any damaged straight pin and spacers (I-beam or air cool) FREE OF CHARGE for one of your buffer**, the offer valid only for customer who owned B&J buffing hub and spacer. Well maintained rasp will significantly increase its life span and reduce buffing cost!

- ✓ High precision and durable
- ✓ Lower buffing cost per tyre
- ✓ Time saving, reducing downtime
